

TCS Newsletter 2 2024

Dear Parents/ Guardians of TCS

We greet you in the Name of our Lord and Saviour Jesus Christ.

Thankfulness

We thank Father God for providing for each of us through this term. Each learner Gr 4-12 was able to bring a new testament bible home. We could go on our outreach to George Mukhari Hospital for the 18th year in a row due to the generous donations made by our school community. We hosted missionaries who work for Wycliff bible translators who translate the bible into languages of unreached people groups of the world. TCS was part of the World Global day of prayer. Please continue to pray for your children, for their salvation, a hunger for the word of God and a desire to follow the call of God on their lives.

We would like to thank all of the parents and guardians of the learners for ensuring all home work was done on time and to the best of the learner's ability each day.

Congratulations

Aunty Thabi has stepped up as the acting Head of Department for Gr 4-6. Please pray for her and give your support as TCS parents do.
